BY THE COURT:

 Honorable Douglas E. Arpert, U.S.M.J.

¹ If an expert has offered opinions as to both class certification and merits issues, and the opposing party elects not file a *Daubert* motion as to class certification issues and only seeks to challenge that expert's merits opinion(s), then such a merits-only *Daubert* motion may be filed during Round 2 *Daubert* motions. For the avoidance of doubt, no party may file a Round 2 *Daubert* motion as to an expert's class certification opinions; all such motions must be filed during Round 1 *Dauberts*.
